

**Fiber Processing Unit FPU - Opening ceremony speech by:
Mr. Guenther Krohn
CEO South Pacific Viscose**

Ladies and Gentlemen,

2005 marks a special year for South Pacific Viscose as the company has managed to produce a remarkable total of 1.5 mill tons of Viscose staple fibers since 1982!!

For this event I am honored to welcome quite a number of special guests.

First our valuable customers; domestic as well as international. We are happy to share this special celebration with you. Celebrating this event among our customers is a great pleasure for us! Without your support, your dignity and your loyalty we would not be here today to celebrate this FPU opening.

We feel honored to have the 'cream of the crop' of our customers and suppliers with us here today.

A special welcome goes to:

- The Board of Commissioners and Shareholders of PT South Pacific who are with us today
- Mr. Tomas Fahnemann Chairman of the board of PT SPV and CEO of the Lenzing group.
- Mr. Fritz Weninger – Head BU Textile, Lenzing Group

From RIETER AG I welcome:

- Dr. Martin Folini, Senior VP, Head Spun Yarn Systems
- Mr. Peter Illi, Head Sales Asia Pacific and VP Spun Yarn systems.
- Mr. Michael Danielsson, Area Sales Manager
- Mr. Harald Schwippl, Head Technology, Spun Yarn Systems
- Mr. Tarmizi and his team from PT COSA Indonesia - RIETER representative Indonesia

- Mr. Beni Soetrisno -- President of API
- Mr. Raimund Gradt - Commercial Councilor at the Austrian Embassy
- The organizers -- and all of those who will give a special kick to this event.
- Those within our own organization who have worked hard to make all of this possible!
- Special welcome to the management and the employees of PT SPV.

PT South Pacific Viscose has been supporting the domestic textile industry and the Asian markets with quality Viscose Staple Fibers for more than 20 years now. We at PT South Pacific are convinced there is a bright future for this industry here in Indonesia and in Asia.

PT SPV is determined to do everything in its power to provide the required support to the industry to compete successfully! And we want to contribute to the transformation of this industry - from a sun set industry to sun rise industry.

With the help and in cooperation with RIETER AG we have invested in this FPU to continue to serve the domestic and international markets with quality and technology, which extends beyond Asian standards.

We see this cooperation with RIETER as a clear indication of our commitment to quality and state of the art technology and also as a clear commitment to continued quality improvement of our products!

This commitment shall help you, our valuable customers to compete even more successfully in the domestic as well as in the international markets!

Join us in celebrating this special event and enjoy what we have prepared for you today! Make use of the opportunity to inform yourself about what this company is all about and what we can do for you in cooperation with RIETER AG. Use the opportunity to network and to touch base with old friends. And last but not least to all those who can stay: Enjoy the entertainment program tonight!

On behalf of PT SPV I want to thank you, for your precious time and for being our guest today.
